## AUTUMN TERM

### WELCOME NOTE:

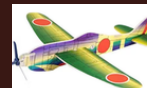

Wow! What a brilliant start to the term we have had. The children have settled into their new classroom/ year group with huge enthusiasm for learning and we are already having so much fun. We started the term with blackberry picking and making our own jam. Many mornings have started with toast and reading the latest editions of 'First News'. Great start Eagles - it's been a joy.

### TOPIC

This term we are travelling back in time in Snape. Our topic question is, 'How has industry, war and its people changed Snape over time?' We have started looking at archaeology reports of the Snape Anglo-Saxon ship burial and studying evidence and drawings from the report. We will explore evidence of early settlers, including the Roman production of salt, identify how Snape changed through WWII and explore the significance of the Garrett family.

### SCIENCE

We are learning about forces; friction and air resistance. We will be conducting experiments linked to our topic, making predictions and learning to analyse our findings. After half term, we will be exploring reversible and irreversible changes linked to the history of the Maltings!

### ART, DT & MUSIC

We are learning to create portraits through sketching with charcoal, graphite, pencil and pen. We will also be painting the local landscape.

After half term, we will be exploring mechanical systems in DT, learning to design and create an automata toy.

In music, we are learning to play the recorder and also sing WWII songs.

### ENGLISH AND GUIDED READING

We are reading Emma Carroll's 'Letters from the Lighthouse' and learning to write diary entries and letters, exploring the events and characters from the story. In guided reading, we will be answering questions about the book to retrieve information and infer around authorial intent.

### MATHS

We are embedding our knowledge and understanding of place value, with numbers up to ten million! We will then be moving on to addition and subtraction and multiplication and division.

### R.E, PHSE, P.E & COMPUTING

R.E - What does the Qur'an reveal to Muslims? PSHE - Computer safety

P.E - Football, Yoga

Computing - TinkerCad

### REMINDERS

Homework due Fridays. Read at least 4+ times a week!

P.E kit Tuesdays and Thursdays.
